

# NEW YORK STATE POLICE REFORM AND REINVENTION COLLABORATIVE

On June 12, 2020 Governor Cuomo issued Executive Order 203 – New York State Police Reform and Reinvention Collaborative. The purpose of the New York State Police Reform and Reinvention Collaborative is “to foster trust, fairness and legitimacy” within communities throughout our State and “to address any racial bias and disproportionate policing of communities of color.

The order requires each Municipality to review the practices of its police department and develop a plan for improvement of such practices and promote community engagement. The order specifically requires an inclusive, open and transparent process.

The Town is seeking input from its residents and businesses by participating in the survey below.
