Dear Mr. Halloran:

Based on our recent workshop meeting on October 6, 2021, we are requesting a formal review from the Town Board for a Special Use Permit to proceed toward final approvals. The proposed project is a large-scale ground-mounted solar power generation facility totaling 54± acres located at 111 Owens Road (Parcel ID #10-1-10.22). The proposed community solar project will consist of three (3) 5-Megawatt AC solar system array. The three (3) lot subdivision is identified as Site 1, Site 2 and Site 3. At this time,

The attached materials are as follows:

- 7 copies            Application Form
- 7 copies            SEQR Long EAF
- 7 copies            Project Narrative
- 7 copies            Site Use Plan Set (24"x36")
- 7 copies            Zoning Variance Plan
- 7 copies            Visual Site Renderings

We look forward to scheduling a meeting or attending the next available Town meeting. Should you have any questions, or require any additional information, please contact our office.

Truly Yours,  
ARICO ASSOCIATES
