Site Plan and Special Use Application

Dear Mr.:Bergus:

The owner and operator of Goshen Green Farms is seeking to expand the product offerings at its current Farm Stand located at the above premises. Currently the Farm Stand offers produce, crops and plants grown and produced on the subject farm. The owner is seeking to expand its offerings in response to consumer demand to include various value added products that are not produced on-site. We have been directed to submit the enclosed application to the Planning Board by the Town Building Inspector and the Town's Engineering and Legal consultants.

We have enclosed the following documents:

- Site Plan and Special Use Application
- Short Environmental Form with explanatory narrative.
- Agricultural Data Statement
- Site Plan
- May 14, 2020 Cover Letter to Planning Board for use as a Project Narrative.

An application fee was previously submitted to the Building Inspector's office.

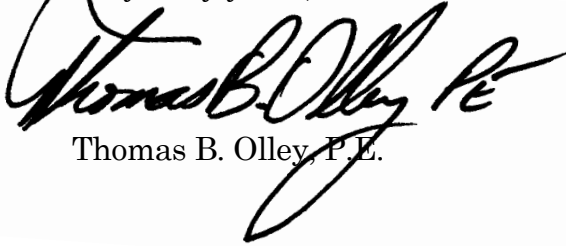

Due to both the seasonal nature of the farm market business and the current COVID-19 pandemic, we respectfully request the Planning Board's prompt action on this matter. We stand ready to immediately supply any additional information that the Board may need to process this application.

Mr. Lee Bergus, Chairman
Town of Goshen Planning Board
