Dear Board Members:

Enclosed please find the following items in reference to the above-captioned project:

1. Three (3) copies of revised Site Constraints Map

As discussed at the January meeting, a tree survey has been completed and incorporated into the Site Constraints Map. All trees outside of the proposed Open space twelve (12) inches diameter and greater have been located and shown. The site boundary has been updated to reflect the recently completed boundary survey. Please place this project on the February Planning Board meeting agenda for continued discussion.

If you have any questions or concerns, please feel free to contact me at (845) 744-3620 or by email at zpeters@mntm.co.

Sincerely,

Zachary A. Peters, P.E.
