<b>REMARKS:</b>  Enclosed is the plan discussed during the December 20, 2022 meeting showing various proposed tree lines and solar array limits. With this submission we respectfully request to be placed on the <u>January 19, 2023 Planning Board</u> agenda.  We also understand concerns remain relative to visual screening along the Orange Heritage Trail. Updated plans for both landscaping and visual simulations are being prepared and scheduled for submission on January 18, 2023 for placement on the February 2, 2023 PB agenda.
