UPDATED (January 5, 2022) GUIDELINES for the 2022 Aged application renewal due to NYS State Regulations for COVID Safety

Dear Property Owner(s):

Once again, all property owners who received the aged exemption (pink form) in 2021 will **NOT** have to reapply for the 2022 aged exemption. This decision was made by the Goshen Town Board, to protect the health & safety of our seniors.

Your exemption on file will be rolled over for 2022.

Even though we sent out the application, you DO NOT need to do come in or send in your application renewal to the assessor's office.
