RE: REDI-MIX CONCRETE

Dear Chairman Bergus and Planning Board Members:

Attached herewith is a revised submission for Redi-Mix Concrete. The project consists of the reuse of an existing 7,000 square foot building and construction of a new 16,800 garage and concrete plant with 5 storage silos on a 16.3-acre site on Musket Court in the Town's Industrial Zone. The submitted package includes twelve (12) sets of a Site Plan and an Expanded Part 3 EAF with both a SWPPP and revised Traffic Study appended.

We request that you place this application on your next available agenda for discussion.

Very Truly,

LANC & TULLY, PC
